

High School - Additional Recommended Reading

Here are some MORE recommendations for exciting and thoughtful optional summer reading. Below are 100 of the Modern Library's BEST books of all time. The books we read in class have been removed from this list and replaced with the Modern Library Board recommendations. I have not read *every* book on this list, but I have read 95% of them. The Honors Book List contains all books I have read. Happy reading!
