Costume Due Date

All items are due on **Monday, October 23rd**. This is necessary so costume fittings can be accomplished in the short time available.

Students please note this important change: Costumes are to be delivered to **Rm C-15 (upper campus) or the office only**. Please do not take them to class, the assembly room, or anywhere else.

Ideas for Obtaining Student's Costume:

- Used items from thrift stores
- New from internet or discount stores
- Family closets
- The costume room*

*MMS may have some costume pieces you can use. Come see us at lunch in Room C-15 ASAP, 1st come 1st served.

General costume information:

- Costume dept. has the option to reject items if they don't fit with the look of the play
- Leave tags on items, if not used they can be returned
- Please don't bring any item that can't be altered or changed
- Bring larger rather than smaller items so they can be more easily altered to fit
- Footwear should be well fitted and suited to all stage activity
- **Label each item with your child's name.**

The Final Look

You may have noticed that you are being asked to send clothing that looks nothing like a Lion King costume. Don't worry, we will be transforming the items you bring into something amazing and the cast is going to look great!

A Note about Deadlines: We are ready to help in any way we can, but we rely on your good communication. If the deadlines are missed without any student/family contact, the school will obtain the garments and bill the family's account.
