

Mount Madonna High School Supply List 2020-21

REQUIRED – Personal Computer: Given the possibility of remote learning in the coming year, we are asking all families to ensure their student has access to a laptop computer with a camera for video conferencing that they can bring to school each day and reliable internet at home. See the *Upper School Laptop Recommendations* document for more information and suggestions.

School Year English Texts: Please acquire physical copies of the books. No digital copies. For most of the books, any complete edition will do. Books that require exact translations and pagination are noted with specific editions in parentheses. Please try to acquire all the required books for your grade before the school year begins.

GENERAL SUPPLIES (9TH – 12TH)

We recommend the use of a large binder with dividers to accommodate loose leaf work in all classes. However, the best way to organize and store school papers is ultimately the student's responsibility and decision.

Face Mask: Student may need to change masks during the day. Plan to have an extra one each day they are in school.

scientific calculator with trig functions: TI 83+, TI 84+, (or + Silver)

ruler/straight edge
