

## Mount Madonna Middle School Supply List 2020-21

**REQUIRED - Personal Computer:** Given the possibility of remote learning in the coming year, we are asking all families to ensure their student has access to a laptop computer with a camera for video conferencing that they can bring to school each day and reliable internet at home. See the Upper School Laptop Recommendations document for more information and suggestions.

**Backpack:** We do not provide personal lockers for every student. There are cubbies and hooks upon which backpacks may be stored each day. The students may carry binders, workbooks, and supplies in their packs; for this reason, most students prefer a wheeled backpack they can tow rather than carry.

### **SUPPLIES (6<sup>TH</sup> – 8<sup>TH</sup> Grade General Supplies)**

These items plus the laptop should be brought to school each day.

**Face Mask:** Student may need to change masks during the day. Plan to have an extra one each day they are in school.

**Agenda/Planner** - 2020-2021 Five Star 8.5" x 11" Academic Planner, Assorted Colors (CAW6510021)
