

6th Grade Math

Complete a minimum of 8 hours of math on [i-ready.com](https://www.i-ready.com) (login: Firstname.Lastname; password: MiddleSchool!). Once you are logged in, you will see assignments on the left side of the screen and “My Path” on the right side of the screen.

Start with the assignments, and then work on My Path for the remaining time you have left. If there are no assignments, start working on My Path, and assignments will be assigned later in the summer. Try to complete 1 hour per week rather than saving all 8 hours for the end of the summer.

This summer math homework is required and will be graded for credit at the beginning of the 2022-2023 school year. If you run into any problems accessing i-Ready, please contact Dr. Nicole Tervalon (nicole.tervalon@mountmadonnaschool.org). New students will need to take the i-Ready diagnostic on campus before beginning the summer math homework. Please contact Dr. Nicole Tervalon to schedule.
