

Preschool Supply List 2023-2024

PLEASE SEND A 4X6 INCH PHOTO OF YOUR CHILD (A HEAD & SHOULDERS CLOSE-UP) BY **AUGUST 21st!*

These pictures will be used for labeling their personal "cubby" space for the year. We'd like to have these up before the children arrive so that they walk into an environment in which they see that they already belong for the first day of school.

You can bring them to the beach party, parent work day, email or mail.

SHOES:

- Sturdy, closed-toe walking shoes should be worn every day, as we do a lot of hiking. Please choose shoes that your child can put on and take off themselves. We want your child to feel empowered to put their own shoes on and not have to ask or wait for a teacher. Of course we will help them learn to do it themselves if your child is not comfortable yet.

NOTE: Please no flip-flops. Please limit flashing lights on shoes, they can be distracting. Slippers can be nice for classroom use if desired
