

# MOUNT MADONNA SCHOOL FUNDRAISERS & GIVING

Dear Mount Madonna School Families,

Mount Madonna School (MMS) offers a transformative learning environment. MMS strives to instill positive character development, creative self-expression, and academic excellence in our students. MMS relies on fundraising to support and sustain the diverse, student-focused programming that sets MMS apart.

MMS holds three annual fundraisers in which we encourage 100% family participation. Our three annual fundraisers are: Drive for Schools, Annual Giving, and Summit for the Planet. MMS asks each family to participate in all three of our major fundraisers to help close the gap between tuition revenue and the operating budget.

It is through your efforts and generosity in these fundraisers that MMS is able to sustainably offer a vibrant and impactful education for our students.

With gratitude,

*Ann Goewert*

## DRIVE FOR SCHOOLS

Each student is asked to participate in the sale of Drive for Schools raffle tickets starting on September 17 through October 19. MMS broke sales records last year with sales totaling nearly \$29,000. Let's do even better this year!

## ANNUAL GIVING

A tax-deductible donation of any amount from each family is encouraged at any time however the focus period for Annual Giving is between November 1 and February 28. Our goal for the 2025-26 school year is \$260,000.

## SUMMIT FOR THE PLANET

Starting March 1, each student is asked to raise \$160 through walk-a-thon sponsorships. The fundraiser culminates in early May with an all-school hike and eco-carnival. Our goal for the 2025-26 school year is \$26,000.
