

# MOUNT MADONNA SCHOOL CLASS SPONSORED PROJECTS

One aspect of what makes Mount Madonna School's (MMS) community so great is that it is powered by the generosity of time, energy, and resources from families. Every year, each grade level is selected to assist MMS faculty and staff in producing our many fun and exciting events. Specific volunteer opportunities will be communicated via sign-up tools sent during the planning period prior to each event. MMS strives to achieve 100% participation by encouraging all parents to volunteer for class-sponsored events. We express our sincere gratitude to all families for volunteering your time, energy, and unmatched community spirit.

Please see the table for class sponsored events below:
